

BP Series

Square Bollard Posts

Alternative to wall mounted access control or switches for entry doors. Bollard posts provide visibility and meet accessibility guidelines. Straightforward, practical solution for surface mount or in-ground installation.

Push plates and panels ordered separately.

- 6" square with 1/8" walls
- Black HDPE mortised removable cap
- Secure transmitter mount
- Standard prep located 36" from finished floor
- Choice or switch prep

See related products for CBC compliant bollard kits with push plates included.
